

March 2009

Hello All,

Just a few quick notes. Plans are well underway for our National Show in June. Registration is now open for this show. You can go to <http://aaca.org/> and click on the Meets tab and pull down Meet Registration. Enter your member number and Pin (found on your AACA membership card) and go to our meet. Or you can call the AACA at (717) 534-1910 and they will send you a registration card. This card will have all the events listed on one side of the card and car registration listed on the other. The card along with payment is then mailed to Betty Weigant at 2310 Calderwood Court, Murfreesboro, TN 37130. I am sure that several members of our club will have cars to enter. You can also register for activities without entering a car. The following is a copy of the activities card available from the AACA. It includes all activities that will be a part of our show. Club members who work the show will receive a free Polo Shirt. Contact Valerie, 444-7315 or Brenda, 449-4901 with your size before May 16th.

No Credit Cards

Registration and Refund Deadline: May 16, 2009

We need help on selling adds for our program. Enclosed yow will find an order form for our program. This program will be distributed to everyone that registers a car or registers as a judge. Please get out and help sell adds for this. This show is an expensive endeavor. It will however be a benefit to our club and community. We don’t want to make a ton of money, but we do want to break even. Our club has more local shows than a lot of AACA clubs in the nation. We have the opportunity to present to the AACA and our community a high quality car show. There is already a lot of talk about this show within our area. There is the possibility to make this show something very special. With your help this can happen. In discussion with AACA directors, it was suggested that we could invite other non AACA clubs to attend and have an event of their own during our show. They would be invited to all events, and have an opportunity during the Awards Banquet to present their own awards. We are talking with other groups, inviting them to come and be a part of the Southeastern National Special Spring Meet. This could work out to being a very exciting event.

Our next club meeting will be _____ since our usual meeting date is Easter Sunday.
